Minutes for 28th January 2014.

The chair JR opened the meeting and welcomed everyone.

2, Apologies were recorded as Jane Potheary.

3, JR invited all who attended previous meeting to read minutes and confirm them as a true record. These were agreed.

4, JR apologised for the change of speaker and explained that this was due to the relevant information not being in place.

5, matters arising, none were mentioned. Outstanding matter was brought to the attention of the local councillor Andy Smith this item had been forwarded to highways regarding the requested change of speed limit on A1306 between Meads roundabout and the M25 intersection to 30/40 mph. It was also requested that the road markings for East to West traffic was altered to one lane at the junction Traffic lights for Watts Wood.

6, JR introduced our guest speaker Allison Campbell who brought us up to date with the Landscaping projects by the entrance and opposite the RSPB. Please see maps and diagrams.

7, we also had an update from our community policing team on what has been happening crime wise in Purfleet. See attached notes.

8, Jr finally confirmed that our guest Speaker for February would be Mathew Essex Head of regeneration bringing the latest news on the Purfleet Pride project it is also hoped that the chosen developer will be in place and will attend this meeting.

9, JR thanked everyone for attending and hoped to see them at the next meeting on the 25th March, guest speakers will be Andrew Millard Head of Planning & Basil Jackson Head Transportation from Thurrock Council
