Annual General Meeting Minutes 31st January 2017

Jo Lamb, Volunteer Co-ordinator of the Purfleet Hub agreed to facilitate the election of both the committee members and the general committee.

Ian Allcock formally resigned as treasurer and therefore will no longer be a signatory come the end of May 2017. The meeting was advised that Vice-Chair Gareth Davies would not be standing for re-election. All other members stood down.

Thanks was given to Gareth for his continued support to the forum over a long period of time and an invite was made to those in attendance at the meeting, should they wish to sit on a committee.

Trevor Batchelor agreed to be nominated for the role of Vice-Chair and Adrian Hilsum accepted a nomination to be part of the General Committee.

No other expressions of interest were received.

Anyone who might wish to become a committee member at any point during the year was asked to get in touch with John Rowles.

Voting took place by verbal nomination and show of hands.
